This is the 4th annual car show remembering a dear friend and former resident of Wedgwood.

Four years ago, we lost a dear friend of ours. Chad loved cars & bikes and what could be better than everyone with a passion for cars, trucks & bikes coming together and sharing in the beauty of the day. So please come and spend a day in the sun with people who love their cars.

There will be a raffle throughout the day for prizes such as a complete auto detail, car care kits, Visa gift cards and more. All proceeds will be donated to the American Cancer Society.

Thank you Troy Anderson (King Street Bar and Oven) & Derek Cockbain (Wedgwood Broiler) for spearheading this event.

Wedgwood Broiler lounge will be open @ 10 am.
